

Medtronic Statement on U.S. Department of Treasury's Recent Temporary and Proposed Regulations

DUBLIN - April 6, 2016 - Medtronic plc (NYSE: MDT) has conducted a preliminary review of the United States Department of Treasury Temporary and Proposed Regulations issued on April 4, 2016, which are designed to address certain concerns around transactions referred to by Treasury as "tax inversions" and "earnings stripping." Medtronic has concluded that the Temporary and Proposed Regulations do not have a material financial impact on any transaction undertaken by the company. Medtronic will continue to more fully examine the Regulations and will provide appropriate disclosure concerning any potential material impact on the company, if applicable.

Medtronic's acquisition of Covidien, which closed in January 2015, was undertaken for strategic reasons and has created a company that is positively impacting the lives of more patients, in more ways and in more places around the world.
