DUBLIN - April 14, 2016 - Medtronic plc (the "Company") (NYSE: MDT) today announced the pricing terms of the previously-announced cash tender offer by its wholly-owned subsidiaries, Medtronic, Inc. ("Medtronic, Inc.") and Covidien International Finance S.A. ("CIFSA" and, together with Medtronic, Inc., the "Offerors"), for up to \$3 billion combined aggregate purchase price (excluding accrued and unpaid interest to, but not including, the applicable settlement date and excluding fees and expenses related to the tender offer) (the "Maximum Tender Amount") of certain of CIFSA's and Medtronic, Inc.'s notes listed in the table below (collectively, the "Notes"), an increase from \$2.75 billion as set forth in the Offer to Purchase, dated March 31, 2016. The terms of the tender offer are described in the Offer to Purchase and the related Letter of Transmittal, and remain unchanged except as amended hereby and by the Company's press release earlier today.

The Offerors have accepted for purchase Notes validly tendered and not validly withdrawn on or before the Early Tender

Deadline for which the aggregate principal amount of the applicable series of Notes did not exceed the applicable Tender Cap as set forth in the table above and for which the aggregate consideration payable did not exceed the Maximum Tender Amount.

Notes not accepted for purchase will be promptly credited to the account of the registered holder of such Notes with The Depository Trust Company or otherwise returned in accordance with the Offer to Purchase and Letter of Transmittal.

All payments for Notes purchased in connection with the Early Tender Deadline will also include accrued and unpaid interest on the principal amount of Notes tendered up to, but not including, the early settlement date, which is currently expected to be April 15, 2016. In accordance with the terms of the tender offer, the withdrawal deadline was 5:00 p.m., New York City time, on April 13, 2016. As a result, tendered Notes may no longer be withdrawn, except in certain limited circumstances where additional withdrawal rights are required by law (as determined by the Offerors).

Although the tender offer is scheduled to expire at 11:59 p.m., New York City time, on April 27, 2016, because holders of Notes subject to the tender offer validly tendered and did not validly withdraw Notes on or prior to the Early Tender Deadline for which the aggregate consideration payable exceeds the Maximum Tender Amount, the Offerors do not expect to accept for purchase any tenders of Notes after the Early Tender Deadline.

The purpose of the tender offer is to reduce the level of the Company's indebtedness, consistent with the capital allocation plans announced by the Company on January 11, 2016. The Company continues to target an A credit profile. The Company expects the costs related to this transaction to be recognized as a one-time expense in its fourth fiscal quarter, and will be excluded from its non-GAAP results. The Company does not expect this transaction to affect its fourth quarter interest expense outlook or its fiscal year 2016 earnings per share guidance.
