Because the aggregate consideration payable for validly tendered Maximum Tender Offer Notes will exceed the Aggregate Maximum Purchase Price and, as set forth in Table 2 above, the amount of validly tendered 4.625% Senior Notes due 2045, 4.375% Senior Notes due 2035 and 3.500% Senior Notes due 2025 each exceeded the applicable Series Tender Cap, the Maximum Tender Offer Notes will be purchased subject to the Acceptance Priority Levels and subject to proration as described in the Offer to Purchase.

The principal amount of each series of Maximum Tender Offer Notes listed in Table 2 above ultimately accepted for purchase will depend upon the determination of the applicable Total Consideration (as defined in the Offer to Purchase) at 11:00 a.m., New York City time, on July 10, 2019 and will be determined in accordance with the Aggregate Maximum Purchase Price, and the Series Tender Caps and Acceptance Priority Levels set forth in Table 2 above, as described in the Offer to Purchase, as amended by the previously announced increase in the Aggregate Maximum Purchase Price. As a result, a holder who validly tendered Maximum Tender Offer Notes pursuant to the Maximum Tender Offers may have all or a portion of its Maximum Tender Offer Notes returned to it, and the amount of Maximum Tender Offer Notes returned will depend on the overall level of participation of holders in such Tender Offers. The Offerors expect to pay the purchase price for the Notes accepted for purchase with the net proceeds of the previously announced public offering of senior notes by MGH, which was completed on July 2, 2019.

Holders of Notes validly tendered and not validly withdrawn on or prior to the Early Tender Deadline are eligible to receive the applicable Total Consideration, which includes an early tender premium of \$30 per \$1,000 principal amount of Notes tendered by such holders and accepted for purchase by the applicable Offeror (the "Early Tender Premium"). Accrued interest up to, but not including, the settlement date will be paid in cash on all validly tendered Notes accepted and purchased by the applicable Offeror in the Tender Offers. The Offerors reserve the right, subject to applicable law, to further increase or waive the Aggregate Maximum Purchase Price or the Series Tender Caps. The Company expects to issue a press release today after the close of trading on the New York Stock Exchange to announce the Total Consideration payable in connection with the Tender Offers. The settlement date for the Notes accepted by the Offerors in connection with the Early Tender Deadline is expected to be July 12, 2019.

Although the Tender Offers are scheduled to expire at 12:00 midnight, New York City time, on July 24, 2019 (one minute after 11:59 p.m., New York City time, on July 24, 2019), or any other date and time to which the applicable Offeror extends such Tender Offer, because holders of Maximum Tender Offer Notes subject to the Tender Offers validly tendered and did not validly withdraw Maximum Tender Offer Notes on or prior to the Early Tender Deadline for which the aggregate consideration payable exceeds the Aggregate Maximum Purchase Price, the Offerors do not expect to accept for purchase any tenders of Maximum Tender Offer Notes after the Early Tender Deadline. Holders of Any and All Notes who validly tender such Notes following the Early Tender Deadline and at or prior to the applicable expiration date, will only receive the applicable Tender Offer Consideration for Notes accepted for purchase, which is equal to the applicable Total Consideration minus the applicable Early Tender Premium.
