Medtronic Sofamor Danek Company Information

Medtronic Sofamor Danek is a global leader in products and services that advance the field of spinal and cranial surgery. Medtronic Sofamor Danek's emphasis on meeting the most intensive requirements of patient care today means services that meet the clinical demands of the surgeon and improve the quality of care for patient. Medtronic Sofamor

Danek is headquartered in Memphis, Tenn., and has offices in Colorado and Indiana, as well as Deggendorf, Germany, and Paris.

The quest to find new surgical techniques to reduce recovery time, minimize post-operative pain, and decrease the size and appearance of scars, has Medtronic Sofamor Danek looking for new, less-invasive surgical techniques and products to enhance the patient's recovery. With products such as the METRx™, CD HORIZON® ECLIPSE™ and CD HORIZON® SEXTANT™ Systems, Medtronic Sofamor Danek offers the latest, most innovative minimally invasive procedures to approach spinal and cranial surgery.
